

EXIDE

Solar PCU 900 VA

HYBRID SOLAR INVERTER

KEY FEATURES:

- ◆ Pure Sine wave output
- ◆ Minimal Mains power usage
- ◆ Priority setting for Solar/Battery/Grid
- ◆ In-built PV reverse protection
- ◆ Attractive Tri-colour display for better notification to user
- ◆ Wide range of capacities for various scale of applications
- ◆ Compact in size and easy to handle
- ◆ Improved charging algorithm
- ◆ High efficiency in-built solar charge controller for better PV utilization
- ◆ 24 Months Warranty.

SPECIFICATION:

Brand	: Exide
Origin	: India
Model & Series	: Hybrid Solar Inverter
Rating in VA	: 900 VA
Rating in Watts	: 700 Watt
Waveform	: Pure Sine Wave
DC Voltage	: 12 Volts
Technology	: DSP Based Technology
Battery Module	: External
No's of Battery Required	: 1
Battery Capacity	: 80AH to 200AH
Nominal Battery Voltage:	: 12V DC
Warranty	: 24 Months
